## Woman molested at interview

By Khushwant Singh

SHE was being interviewed for the post of administration and marketing executive when her interviewer pulled her close and kissed her on the lips.

Lim Peng Heng, 36, who told her that he was the boss of the advertising company called Imadgination, also bragged about the size of his penis and his sexual experiences.

On Wednesday, the 36-year-old pleaded guilty in a district court to outraging the modesty of the 25-year-old woman.

His lawyer Edmond Pereira will present arguments on Friday and press for a light sentence.

Lim can be jailed for up to three years, fined and caned.
